## TRANK JAMES! TRIAL.

et of a Hong Jory or Arq

Foregoed of a Brong dony or Argottal-forcement Cettendon in Attendiniese. Gattaatis, August 22—The jury 1970g Frank James sport the slight in charge of the Shrift. The case is much document at the hortel, and the equision is generally ex-perienced that a wealth of guilty is out of the question, a heap jury is probable, and an ac-quittal is possible. The solid Temocrasy of the jury, the youth and associations of fine of them, and the Confederate record of alse of then number give rise to this belief. Last right Thick Liddell and Mes. Hibe arrived, liddell this morning absored uson the creats with two long many receivers strapped to his waits.

with two long twey receives steapped to his waist.

Fromptly at 8 o'clock this morning the coart convened, the witnesses being excluded from the court room. The attendance was not so long as a protectlay. A number of billes occupied seats on the stage.

Governor Critisandes arraved the morning, and is as artitutes auditor in the court room. The most interess excitement was examed shout morn, when judge leving and Harried Davis, the two gentlemen who were warned a day or two age to be exerted in giving testimony against Issues, each received the following festure.

To Hartied Davis and Aira twong, Gattation Set. Louis, August 31,—Gestra—Vous existence against fances will be seatched by true deltare from cause to himing the data for the festure and another a now how mas Governor College and a sea of the fining the data in the court of the pixel was caused in thing the data for the festure and the pixel was excited and only policy prevented it into. Frank journey has confered that will never see him secritical and true from the will be and at the purpor time. If you are win you will be careful.

The letter addressed to Davis was written in

and will come to his aid at the proper time. If you are wise you will be careful.

A. R. K.

The letter addressed to Davis we written in red in his alway, held hard, and exclosed it as normally on the New York of the New Y

schale off evidence which examin be limbers by the defense.

The Human Girl.

Your end forolous girl limitions, audamous, mendations, is seldom found at a greater allithet above the sea than 1,000 feet. She Benongs to a lower formation. Her proper plans in the horizon, Given a saidy beach, drow-oy with an ebting pitch, for footlights the reflect of trillington, Given a saidy beach, drow-oy with an ebting pitch, for footlights the reflect of trillington, Given a saidy beach, drow-oy with an ebting pitch, tor footlights the reflect of trillington, Given a saidy beach, drow-oy with an ebting pitch, tor footlights the reflect of trillington of the residual programmer. She has no fellowships with mountains peaks and gybon colination. A rocky path plays and haved with French beels and the early development with the humorat calls the "homonous girl," much be vogen on hotel pixara it mountain resorts at this time, is the girl with its mountain resorts at this time, is the girl with its mountain resorts at the time, is the girl with the said of the pixara it is not a magazine of information on subject generally recorded as the lips with remot and requires.

The Gonemant Funes Nas says President Arthm's absence from Washington on the Vellowstone expedition has been the text in foundation of the said of the said of the pixara in the pi

Woman's Unantworable Argument. From the Indiamonish Soureal.

The feminine element and indiamons are slowly but surely making themselves left in political circles. At the State Convention of the National party in New Jewsey, the other days, a pintine, and a surely in New Jewsey, the other days, a pintine was presented for adoption. Some arrong objections being raised to the clause favoring weaman surings, Mrs. Marin Howard, one of the delegates, arms as if to speak in its favor, but, with great magacity and presence of mind, burst into team and at down. This powerful and unanswerable argument closed the decausion, and the saffrage plank was unanimously adopted.

A Bollar a Mile.

From the binding Express.

A lady who was in the Clayton disaster, and now atopoing at Vates, has such a dread of easilway traces that the lass officed \$5,000 to any one who will take her to her Western home in a carriage. The distance is show 1.000 milles.

From the Dairy,

The prettiest empliment a dairy youth can
pay to his sweetheast is to tell her that she has
eyes just like an Addring cow. If she has
ever seen one of those hum-eyed creatures she
will apprecare the "fully," and take it for all
it is worth.

Blaire's Boom.

From the St. Louis Pow Dopacci.

Mr. Blaine starts off in his Passidonish race with the indersement of a fag end of the Republican party of Virginia. This is equivalent to a callings in a in the hat in the concrude season.

## The P. of W.

Advice to Brokers.

The mireal of the recent failures appears to be that brokers should keep track of their margin customers during the vacation sensor.

Of the 1,400 Chinese women in Son Francisco at least 1,200 are said to be actual slaves and many of them owned by white mon.

A mainten from Chicago went leathing at Cape.
And left, her shippers setting at the seator's often all only.
But whose the field came in at one it here them, for a way,
And an they went a seating through all the feeling tone, the seaton as we drent from his look out on the most.
And leading shows panel, who we step a seaton have great.
What ship is that? The Captain cried, with globars to his eye,
But not a single seat upon the slippers would be a sone at single seat upon the slippers would be a more thing that the captain cried, with a first leading the contribution of the step of the s

on each wreck," -[Alfred Hadley.
